Give a Child a Memorable Birthday

May 2022

TOP NEWS!

- Big Thanks to our supporters, board members, and leadership council members, \$7,000 was donated on Give STL Day! That's **47 birthday kiddos** that will now have a fun and happy birthday memory during such a challenging time in their young lives.
- A big congratulations to all of our shelter partners that participated in the National Hamburger Day Contest. The winner was: **The Covenant House!** We will plan yummy burgers for the youths and staff the week of May 30th.
- During the last school year, we partnered with middle school students of Jack and Jill, Inc of St. Clair County. Here are few highlights of the **Birthday Squad** partnership: Raised over \$1,800 by conducting various fundraisers; Created a public service campaign for Domestic Violence Awareness Month; Donated gift-wrapping supplies and wrapped birthday boxes; Virtually participated with Schnucks employees to decorate party hats. Stay tune for additional support from the Birthday Squad in the next school year...

- Swank Motion Pictures employees were a huge help as they volunteered during their **Give Back Day** to help organize our office. Now, all of our party supplies have a 'home'!
